Madame Sanges introduced French Fles for third-year students. The students tried their hand at teaching French to the students at Aquadale, Norwood, and our junior high. They spread the word - the French word.

This year's Career Club has its largest enrollment of 158 members, who explore the many job opportunities in the world of work. Activities include going skating, attending the State Convention, and taking field trips. Sponsored by Mr. Thomas Townsend and Mrs. Patty Mabry, the group holds meetings once each month. Career planning and job awareness are the main topics of the meetings.

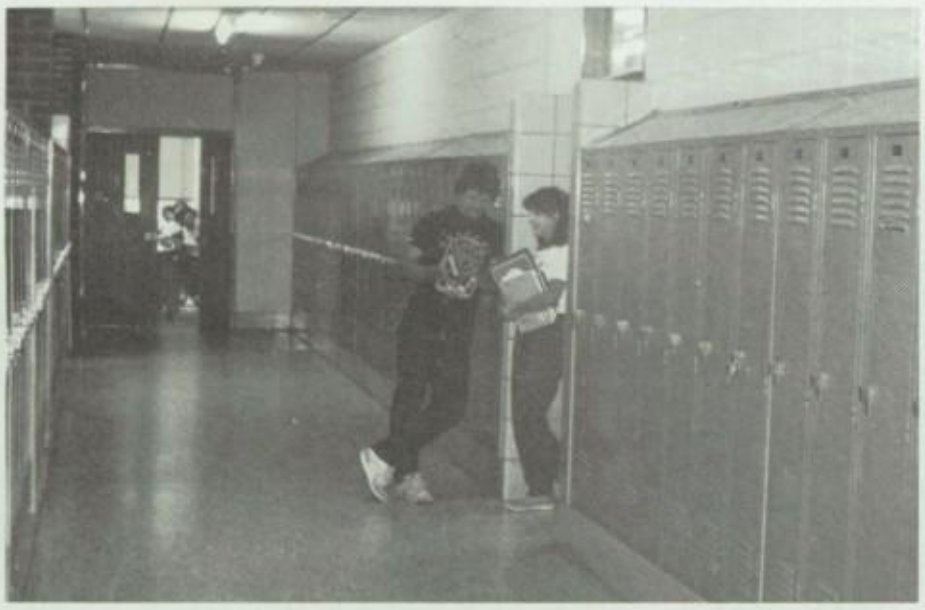
Why all the excitement?

Getting out of class is so much fun!



Greg, what kind of book are you and Cheryl looking at?

Cheer up, Tammy; only one more class to go.

Raise your hand if you're sure.

Look at those legs!

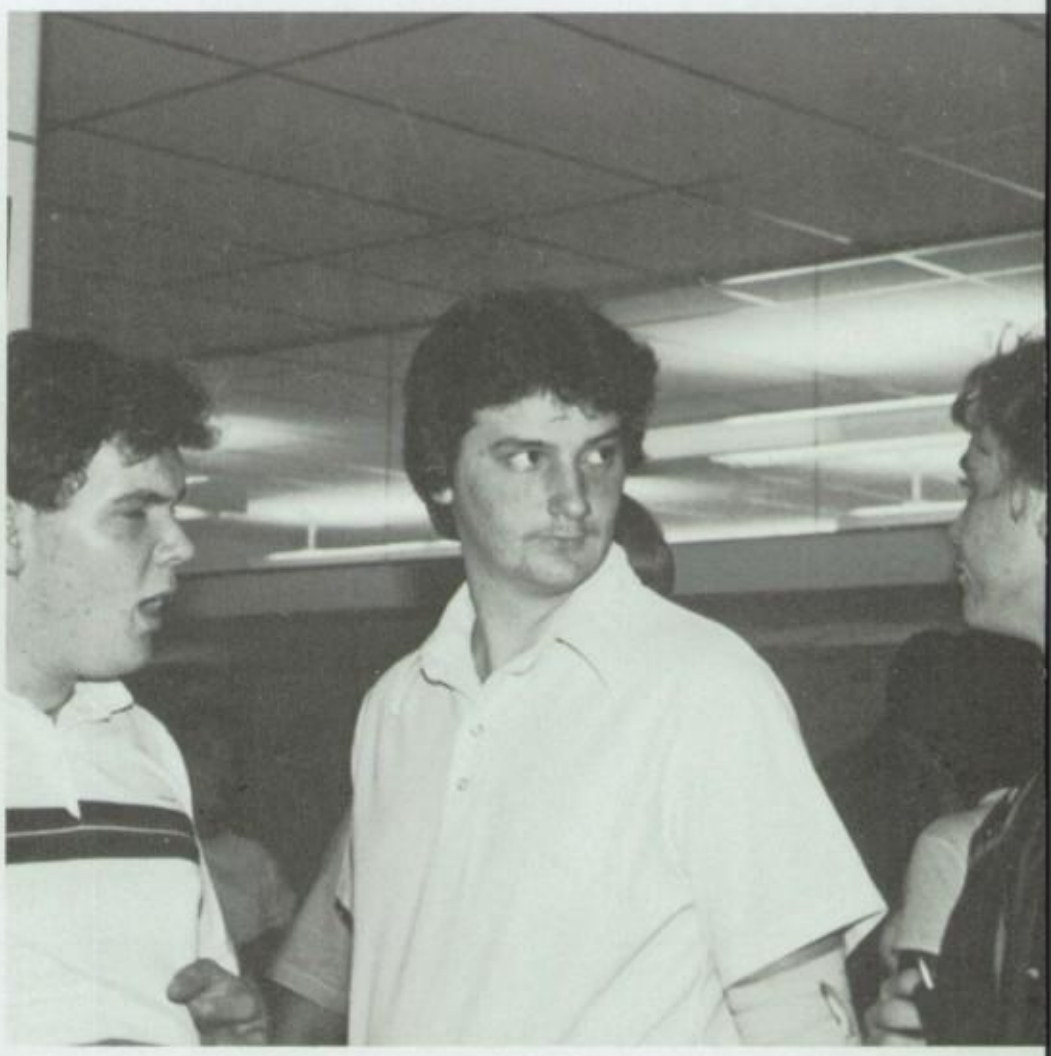
Got ya!

What's so funny, Andy?



Huh?
